Dear Mr: Madiah

I forwarded a few days ago a recommendation (together with the necessary papers for the information of the Government of India) for the entertainment of an European named Goodings as probationary Chief Constable on the Gold Fields , and Mr: Carr took the man temporarily in the Detective Department to see what he was made of

I have now found out that the man is not suitable . He is given to intemperence and I have had a complaint against him which I have personally enquired into and which proves that he has given way to drink

If an European soldier like this man is found to be given to drink in this way , it is nearly always the case that the habit grows on him and I think that it would be better not to take him on .I am therefore writing to

ask you to recall the recommendation made if it is not too late . I am turning the man out of the Detective Department at once

Yours sincerely

Sir,

I have the honor to request sanction for the entertainment as Chief Constable, 1st grade, (Rs 80+20 allowance) of George Arthur Goodings, a discharged Corporal of the East Kent Regiment, on a probation of six months.

I attach a statement showing particulars of his birth, Service, etc together with copies of

Certificates

certificates of Character.

A Chief Constable is very urgently needed to fill a vacancy. The appointment has been open since its sanction in January 1902 and it has been found impossible, up till now, to find a suitable man to fill it, this class of men being particularly hard to find.

The man now recommended has first rate certificates of services and character. He is also well acquainted with Hindustani, and is likely to make a good Chief Constable.

The correspondence necessary to the appointment of an European being so lengthy, and the delay involved being so great, I have the honor to request that this man may be temporarily appointed pending sanction. If this is not done it is likely that his services will be lost as in the case of the last European whose appointment I

recommended

recommended, who took other employment owing to a delay of several months in his appointment.

I have the honor to be,

Sir,
